**SUBMITTAL OF CORRECTED AMENDMENT
PURSUANT TO 37 C.F.R. § 1.121**

Sir:

This correspondence is filed in response to the Notice of Non-Compliant Amendment mailed July 13, 2005. The Notice rejected the Amendment filed on May 17, 2005 because the location of the amendments to the specification were not clearly identified and several claim identifiers were omitted from the claims section of the amendment. Applicants have rectified this issue in the attached copy of the Amendment.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.
